

PARTNERSHIP FOR A SAFER MARYLAND

DATA-TO-ACTION: TRAUMATIC BRAIN INJURY

The Partnership for a Safer Maryland (PSM) is hosting this webinar as part of a series highlighting injury and violence prevention data and programs in Maryland. This webinar focuses on the impact of Traumatic Brain Injury (TBI) in various communities and the resources available to impacted populations. This session will feature experts on TBI from the Maryland Behavioral Health Administration, Johns Hopkins Hospital, and the Maryland Department of Human Services.

REGISTER HERE!

Date: Thursday, May 8, 2025

Time: 10:00 AM - 12:00 PM

Data and Subject Matter Experts:

- Christina Interrante MSN, RN
- Anastasia B. Edmonston MS CRC
- Elizabeth (Betsy) Zink, PhD, RN
- Richard Lichenstein, MD

By the end of this session, participants will be able to:

- Describe at least one mechanism or type of TBI
- Compare trends in Maryland to National trends of incidence and prevalence of TBI
- Understand long term consequences of TBI
- Access facts sheets and resources related to TBI
